A

ALERT

ALERT is when you first become aware of a threat. The sooner you understand that you're in danger, the sooner you can save yourself. A speedy response is critical. Seconds count.

L

LOCKDOWN

If evacuation is not a safe option, LOCKDOWN by barricading entry points into your room to create a semi-secure starting point.

I

INFORM

The purpose of INFORM is to continue to communicate information in real time, if it is safe to do so. Information should always be clear, direct and in plain language, not using codes.

C

COUNTER

Countering is a strategy of last resort. COUNTER focuses on actions that create noise, movement, distance and distraction with the intent of decreasing the intruder's ability to cause harm.

E

EVACUATE

EVACUATING to a safe area takes people out of harm's way and hopefully prevents civilians from having to encounter the shooter

"In any moment of decision... the best thing you can do is the right thing, the next best thing is the wrong thing, and the worst thing you can do is nothing."
