## ALICE Active Shooter Training Drill Best Practices

Active shooter drill requirements may vary in your state. Use the following best practices as guidelines:

- Understand the difference between drills and scenarios.
- Practice all types of drills: lockdown, evacuate, tabletop (using critical thinking drill cards).
- Drills should be led by an ALICE Certified Instructor (ACI) or member of law enforcement.
- Drills should NEVER be unannounced.
- Drills should be age- and ability- appropriate.
- Drills can be uncomfortable – ensure the use of a trauma-informed approach to alleviate some of the stress.
- Complete a drill log.
- Check with local or state government for specific drill requirements.

## Emergency Operations Plan Best Practices

EOP requirements may vary in your state. The following best practices can be used as a guide:

- Ensure the EOP is updated annually.
- Does the EOP identify a point of contact, rally point, and strategies for Inform?
- Is there a plan for how to evacuate individuals with disabilities, young children, the elderly, or others that may need additional assistance?
